THE BIRKENHEAD PARK SCHOOL

20 March 2017

Dear Parent

We are aware that all parents of Year 9 students have received a letter recently from the local authority regarding 'Schools with an age of admission'.

I understand that this letter may have caused some confusion for parents and would like to clarify that it has been sent by the local authority to the parents of all Year 9 students across the Wirral to ensure that families are aware of all available options for students aged 14-19.

Whilst it is important for you to be aware of these options, you do not need to do anything in response to the letter from the local authority. We are confident that the curriculum pathways we have designed successfully meet the needs of our students and provide them with the skills, qualifications and experiences that they need to make the next steps at 16.

Should you have any further queries regarding this information, please do not hesitate to contact me.

Yours faithfully

Helen Johnson
